

BENEFITS OF THE PROGRAMME

Knowledge on conservation of cultural heritage is essential in preserving cultural artefacts for future generations. This degree programme is designed in response to the need for a highly efficient, state-of-the-art and competitive workforce in this field. Silpakorn University in collaboration with Institute of Conservation, University of Applied Arts Vienna, Austria, provides a curriculum that offers students international experience as well as opportunities for staff exchange between Thailand and Austria. In reaching the programme's objectives, graduates will be able to work and compete internationally in the much-required fields of cultural heritage and conservation.

JOB OPPORTUNITIES FOR GRADUATES

1. Academics in the field of cultural heritage preservation, conservation and related areas of management
2. Advisors in the field of cultural heritage preservation, conservation and related areas of management
3. Public and private sector management executives related to the field of cultural heritage preservation and conservation
4. Fine art conservators and restorers

Master of Arts in Cultural Heritage
Conservation and Management
(International Programme)

SILPAKORN UNIVERSITY INTERNATIONAL COLLEGE (SUIC)

SUIC is part of Silpakorn University, a leading Thai university with a focus on preserving national arts and cultures, and providing high quality international education programmes in business, art and design. With continual improvements in research and education, SUIC supports creative training and academic services, as well as producing professional graduates with the right knowledge and morality for employment in a globalized world.

SUIC believes that an academic programme should be specifically designed to give students the appropriate professional skills that are necessary to cope with the dynamic employment demands of modern society and thereby increasing students' opportunities of success upon graduation.

ACADEMIC COLLABORATION BETWEEN SILPAKORN UNIVERSITY INTERNATIONAL COLLEGE AND UNIVERSITY OF APPLIED ARTS VIENNA, AUSTRIA

The Joint Master's Degree of Arts in Cultural Heritage Conservation and Management has been established by Silpakorn University International College and Institute of Conservation, University of Applied Arts Vienna, which is also the current UNESCO Chair on Conservation and Preservation of Tangible Cultural Heritage in Austria.

The programme provides students with integrated theoretical and practical knowledge on conservation, cultural heritage and its preservation, and management, whilst enabling them to connect with experts worldwide. Students enrolled at Silpakorn University will have a compulsory 2 month study period in Vienna, Austria focusing on conservation practice and field trips whilst students enrolled at University of Applied Arts Vienna will join their classmates in Bangkok for the last semester of their programme. Students who meet the programme's requirements will receive a joint Master's Degree awarded by the two institutions.
